

WIFTI HELSINKI SUMMIT 2023 – FACING THE FUTURE

INVITATION LETTER for _____

We are happy to invite members from all WIFT Chapters all around the world to *WIFTI Helsinki Summit 2023 – Facing the Future*, taking place in Helsinki, Finland, September 22nd to 24rd. 2023.

The first WIF network (Women in Film LA) was established in Los Angeles in the 70's as a reaction to the lack of equality in the film industry. Today, as WIF LA celebrates its 50th anniversary there are around 50 WIFT and WIFT-partner chapters on six continents – all working for the same goal: equity in the industry. WIFTI was established as the global network connecting all others to speak with one common voice. The strength of WIFTI is based on the strength coming from every member of every chapter all around the world. The three pillars that inspire the work of WIFTI are: CONNECTION - Connect all members, KNOWLEDGE - Share knowledge, experiences and industry information, VISIBILITY - Be seen and acknowledged

We encourage organisations and administrations to support WIFTI members to come together to continue the work for better circumstances for all women in the audiovisual industry.
